Food Pantry Update

If you are making a contribution of fresh produce, PLEASE REMEMBER to take produce directly to the big kitchen and place it either in the refrigerator, or if appropriate, leave it on the island. Please DO NOT place fresh food of any kind in the donation bin at the main entrance. We also appreciate your contributions of both tangible goods and plastic bags. Thank you in advance for your consideration and support!

Pastor's Discretionary Fund

The Pastor's Discretionary Fund provides small grants to referred clients who need assistance with utility bills and/or rent payments. Once again, the fund is depleted. To help, please make a donation and indicate it's for the Pastor's Discretionary Fund.

Faith Circle Summer Book Discussion

On Tuesday, July 23, Faith Circle will be hosted by Helen Repp at the Repp home for an evening book discussion, beginning at 7:00 p.m. We will discuss the book entitled "An Altar in the World: A Geography of Faith," written by Barbara Brown Taylor. The author explores the notion of finding the divine in our everyday experiences. All are welcome!

Kitchen Ovens Are Fixed

Claire Vail has provided an update that the kitchen ovens are now fixed and working once more thanks to the Property Committee, Susan Monte, Chair.

LWR Kits – Supply Time!

Social Ministry plans to make 60 Lutheran World Relief School Kits this September. With back-to-school sales starting, now is the perfect time to gather supplies. We are looking for donations of 70 page spiral bound notebooks, 30 cm rulers, pencil sharpeners, blunt tip scissors, pencils (unsharpened with eraser), ball-point pens (black or blue), boxes of crayons (16 or 24) and 2½" erasers.

Please bring all supplies to the narthex by Sunday, September 1, 2019 and place them in the large gray plastic tub labelled "LWR School Supplies". Questions? Please check with Grace Schoedel. Thank you!

Serve-and-Play Week

Serve-and-Play week is coming July 29 – August 2. The premise of Serve-and-Play week will be that our youth will have a service learning experience in the morning, have lunch together, and then go off to have a fun activity in the afternoon. While some things are being planned, we are always open to more ideas! Do you have a service project you know needs to be done, but is just waiting for volunteers? Are you a mini-golf master and want to share that experience with our youth and sponsor a round? Please let me know! Also like VBS, this is another great time to spend some quality time with our youth. If you would like to volunteer as an adult leader during this week, please let me know! You could help out all week, one morning, a few afternoons, or whatever works best for your schedule. Sign-ups and sponsorship opportunities are available in the narthex. Contact Caitlyn with questions.
